

TOTAL FACILITY SOLUTIONS

ALL UNDER ONE ROOF - *Ours!*

Because ASI offers a comprehensive range of services, the planning and execution of your projects are professionally integrated, assuring a streamlined process with a single point of contact. Our sound belief in partnering with clients has earned ASI one of the most impressive reputations in the industry, in all of our divisions, including: *HVAC, Architectural Sheet Metal, Plumbing, Automation & Controls, High Purity Process Piping, Electrical and Comprehensive Maintenance & Service.*

We're proud to have been selected to provide **TOTAL FACILITY SOLUTIONS** for Exodus Communications, Excite@Home, Colo.com, Cisco Systems, MCI Worldcom, Network Appliance and Verio... as well as hundreds of other Bay Area companies, both large and small. For over 25 years, ASI has helped build the Bay Area... one relationship at a time.
